## Loads of FUN!

Sharon Meldrum and Debbie Mitre-Smith are co-directing this 4-Day Summer Program at the Holley Family Village on the beautiful grounds of DeSales Center, in Brooklyn, Michigan.

We will have a one-day presentation and a one-day CODA panel for parents during their morning classes. While parents attend morning classes, children will participate in drama, ASL, buffalo rides, kayaking, hiking, and art and group games. Afternoons and evenings are filled with fun for the entire family to enjoy, such as: beach activities, boating (speed and pontoon), etc. Evening themes vary each year; our themes for this year are Thanksgiving and Olympics.

Hope you can join us and please relay this information to other families.

Please contact Sharon and/or Debbie if you have any questions.
