St. Robert's Activity Center
310 North Cherry Street
Flushing, MI

Donation Accepted at the Door (\$5.00 and Up)

50/50 Raffle

Silent Auction (Donated by Business)

Presentation on *Lauren's Journey
With Her Rare Brain Cancer &
Childhood Cancers*

Lauren, was diagnosed with astroblastoma brain tumor at the age of 3½ last April. She was then treated at the University of Michigan-Ann Arbor. Since then, she has undergone six chemotherapy cycles as is doing well now.

Alas, the bills for her care have mounted. There is a need to help the family out with their medical and travel bills. The easy way to help is to join them for a delicious spaghetti dinner! See you all soon!

For event and sponsorship
