

Sign Language Services of Michigan and LIS'N presents.....

Medical Interpreting

“Just What the Doctor Ordered”

Real Life Scenarios in Medical Interpreting

By Bethany McLain, CI/CT

From Sign Language Services of Michigan

Join us as we explore the world of Medical Interpreting.

Interpreters will learn common practices, explore Medical documents, and become familiar with routine Medical procedures. We will discuss possible problems and solutions for Interpreters using Medical scenarios. Some knowledge of Medical Interpreting is helpful.
